

Rooftop Pizzeria

Our contemporary dining room takes you to San Francisco or New York, and our patio perches you in position to watch the street life below or take in a spectacular Santa Fe sunset. From the first bite of our thin crust gourmet pizza, you will be one step closer in your quest for pizza perfection. Selected as number one pizza in New Mexico by Food Network Magazine, pizza is not the only delicacy on our menu – start your meal off with an interesting and delicious selection of antipasti and salads – and our lasagna and pasta dishes are wonderful as well. Our wine list features over 20 wines by the glass and we have some of New Mexico's best microbrews on tap along with other quality beers. Take the elevator or climb the stairs to the top of the Santa Fe Arcade shopping center – on the Water Street side – come up to the Rooftop!
